

MEDICAL ALERT

MEDFOB
Medical Facts On Board

I have a MedFOB USB drive with my complete emergency medical information.

Insert into USB port on PC to see my "Emergency Info Summary."

My MedFOB Location:

Necklace Bracelet
 Key Chain Wallet
Other: _____

If MedFOB doesn't load in 20 seconds, go to "My Computer" and double left click on the MedFOB logo. Then double left click on the "OpenMedFOBhere.exe" file.
